(d) test

A terminal window titled 'qwang6@gc127m10:Lab3_CS2263_SM2019' with standard window controls. The menu bar includes 'File', 'Edit', 'View', 'Search', 'Terminal', and 'Help'. The terminal content shows a 'Suspended' state followed by a 'make test' command. It then executes three test cases, each comparing a result file to an expected file. All three tests pass, with messages like '##### Passed ##### test1.result is equal to Data/test1.expected'. The prompt '[qwang6@gc127m10 Lab3_CS2263_SM2019]\$' is visible at the bottom.
